

Dear Friends of the Belmont Greek Festival,

We're now accepting orders for your favorite Greek food!

"Take N Bake Version 20.21" features a fabulous, expanded menu (see items below) with many of the delicious Greek dishes and pastries that you've come to know and love.

You'll enjoy our most popular Greek entrees, frozen and ready to cook at home, as well as freshly-made *gyro* sandwiches, pastries, and *loukoumades*. Although we wish we could host our full Labor Day Weekend festival, we are mindful of everyone's health and invite you to *Go Greek* with "Take N Bake!"

We will accept your pre-paid orders **now through August 16** on our secure website, www.belmontgreekfestival.com. You may pick up your tantalizing treats at Holy Cross Church on **Labor Day weekend, September 4-6**. If you can't make it that weekend, you may pick up your frozen entrees and pastries the following weekend, September 11-12. **However, Gyros and Loukoumades are available only on Sept. 4-6.**

When you buy our frozen entrees, you'll receive our easy cooking instructions so you can enjoy a scrumptious, hot Greek meal at a time that is convenient for you and in the comfort of your home.

For those who can't wait (and really, who can?), you'll be able to buy our freshly-made items and devour them right away!

These are the same delicious festival recipes that have tempted your taste buds for nearly 50 years, prepared by our sensational volunteer cooks!

Click on the delectable Take N Bake offerings below, and place your order by the deadline, **August 16**. You will receive an email in late August with further instructions on how to choose your pick up day and time.

We thank you for your support and look forward to dancing, singing, and dining with you at the 2022 Belmont Greek Festival!

For any questions, contact us at belmontgreekfestival@goholycross.org.

Opa!
