

For Holy Cross Parishioners: We wish everyone good health during these times and will do our part to help, one plate at a time. – The Giouzelis Family

IT'S TIME TO ORDER!

AVOID THE CRAZINESS AT THE SUPERMARKETS! LET US MAKE YOUR FOOD FOR YOU!

We would like to take the time to personally assure you that LM2GO is dedicated to the health, safety, and well-being of our employees, customers, and entire community. LM2GO has the highest level of food and employee safety. We are reinforcing strict standards to our existing standard operating procedures and increasing sanitization in our offices, manufacturing areas, and distribution centers. We will continue to monitor the evolving situation to stay at the forefront of best practices set in place by the CDC, WHO, FDA and local authorities. Our practices include:

- Taking all employees' temperatures before they start work
 - Asking employees if they have any sick family at home
 - Employees are working at least 6' from each other
- Employees are washing hands and changing gloves more frequently
- Not allowing 3rd party incoming delivery drivers or staff in the facility
 - Sanitizing all food contact surfaces hourly
- Sanitizing all hand-held surfaces, (door knobs, light switches, van door handles, etc.)
- Drivers are staying at least 6' from the public when making deliveries

We are happy to inform you that you can still get fresh, ready-to-eat meals delivered straight to your doorstep with LM2GO! Some of our many delicious options next week include:

Order by 10am to get food delivered to your door for next week!

Did You Know?

You can view nutrition information for every single one of our menu items. After logging in to your LunchMaster account, click the item you are interested in. Select "Nutrition" at the top of the enlarged photo, right below the menu name. A handy dandy nutrition facts label will be shown, and you can feel confident that you're ordering wholesome meals for your children.

Breakfast bowl w/ Biscuit

Wake up your taste buds with our delicious breakfast bowl! Fluffy scrambled eggs, roasted red potatoes, savory turkey sausage crumbles, and shredded cheddar cheese unite to create the perfect morning go-to. Best of yet, it's paired with a fluffy buttermilk biscuit.

Veggie Scramble

Healthy and hearty! The secret to making this dish simply irresistible is adding a creative combo of fresh ingredients: brown rice, roasted carrots, red ripe tomatoes, shredded cabbage, crisp cucumber, sautéed spinach, and garbanzo and kidney beans. A side of balsamic vinaigrette is for you to drizzle on as you please, but it's so tasty you might not even need it.

Turkey Pinwheels

Pinwheel sandwiches are almost too cute to eat...almost. Roasted turkey breast, fresh spinach, cheddar cheese, and a light spread of cream cheese are packed in bite-sized tortillas. Now that's a wrap!

Spaghetti w/ Beef Meatballs

Homemade beef meatballs bring this Italian classic to a whole new level. The meatballs are added to our signature marinara sauce, sprinkled with Parmesan cheese, and served on a bed of spaghetti.
