

Teachers – Religious Education

Returns September 13th!

Our plan:

- includes weekly emailed “grab bags” ([example here](#)) that families can use at home (Gina puts together and sends)
- Regularly scheduled Zoom classes on either Saturday or Sunday for about 30 minutes
 - PreK-1st Grade - monthly classes
 - 2nd - 5th Grades, 6th-8th Grades, and High School - twice a month classes
 - Should we alternate these days or keep it consistent so families know what to expect?

Curriculum:

1. Yearly Theme - *Church in the Time of Challenge*
2. In the grab bags, we’ll include these curriculum that are easy for parents to use at home: <https://tending-the-garden.com/virtualsundayschool/> , <https://www.y2am.org/ministryplan> , <http://ww1.antiochian.org/christianeducation/letusattend>
3. In your online classes, we’ll use story videos put together by Chris Canellos ([see example here](#)), along with provided discussion questions ([example here](#))

Structure of the Zoom classes:

- Around 30 minutes (longer tends to get too tiring given how much our students are on the computer during the week for school)
- Start with community building questions (I can provide questions)
- Mixture of video, discussion, and sharing (for younger grades, especially, we’ll try to include something interactive such as “draw St. Christopher as we listen to the story”)

Action Items:

1. **RSVP** to let me know if you can teach this year
2. **Register** to attend Metropolis Zoom training on September 8th (7-8:30pm)
3. **We will be meeting one evening next week (Sept. 7-12th) to discuss and prepare**
