OUR HOLY CROSS THREE HIERARCHS BOOKSTORE

For personal use or gift-giving, our shelves are filled with all that is Orthodox for adults and for children. Among our newest titles is *'Orthodoxy...the Cosmos Transfigured'*. "The entire theological vision of the author is centered on the living God, the Risen Christ and the Spirit that is poured out on all flesh. Evdokimov's theology commands our unreserved admiration for its vast range of interests. It branches out into literature, psychology, philosophy and art. Another outstanding characteristic is the balance of its emphasis on various aspects of the Christian mystery: Christ, the Trinity, the Holy Spirit."
